Please check-in 30mins prior to your scheduled appointment with the following packet completed in its entirely. Failure to complete the packet and arrive early to your scheduled appointment may delay your appointment and/or require our office to reschedule your appointment.

If you have previously treated in a pain management program; it is required that you provide our office with the discharge letter from the previous practice.

You will need to bring your insurance card and a photo ID with you for each appointment. Please let our staff know if you have had any information changes since your last appointment. You will be asked to fill out new registration forms annually so we may update your information. From time to time, a patient emergency arises and we may be running late for your visit. You will have the option to re-schedule or stay to be seen and we will keep you informed of how long of a delay you may experience.

Please bring a list of all of your prescription and over-the-counter medications with you at each visit.

Patient Financial Responsibility Agreement

We at Integrated Medical Services, Inc. (“IMS”) are committed to providing quality care and service to all of our patients. Your understanding of our financial policies is important to our professional relationship. Please take a moment to read through this document to fully understand your responsibility as a patient and sign and date the bottom.

**Insurance Information:** You are responsible for making sure we have all up-to-date insurance information on file, including current insurance cards. Failure to provide this information in a timely manner may result in the charges being billed to you. We ask that you update and verify your record at each visit.

**Health Plan Deductibles, Co-Payments and Coinsurance:** If you have not met your health plan’s deductible on the date of service, we will collect an estimated amount before you are seen towards your deductible. Please note you may receive a bill for additional charges for services rendered. You are responsible for any co-payments and co-insurance required by your insurance carrier at the time of service. Payments received in excess of charges may be applied to subsequent services.

**Non-Covered Services:** We will do our best to verify coverage before you are seen, but it is ultimately your responsibility to ensure payment of your bill. Any service performed by our providers that is not covered by your insurance is your responsibility. It is your responsibility to know your benefits prior to being seen. Verification of benefits and insurance coverage is not a guarantee of payment.

**Referrals:** We will do our best to ensure we have a valid referral for services on file. However, if your insurance policy requires a referral, you are responsible for making sure there is a current and valid referral on file prior to being seen.

**Self-Pay:** If you don’t have health insurance, are on a plan we are not contracted with, or if we are unable to verify your coverage at the time of service, we will collect an estimated payment before you are seen by a provider. There may be additional charges depending on the services actually provided for which you may receive a bill.

**Returned Checks:** We charge a $25.00 fee for any returned checks.

**No Show Policy:** If you are unable to make your appointment, we ask that you cancel your appointment at least 24 hours before they are to be seen in our office. Failure to cancel an appointment in a timely manner will result in a No Show fee of $25.00. Multiple No Shows may result in the patient being discharged from IMS.

**Minors:** For all services rendered to minor patients, the parent, guardian or responsible party who brings the patient to the appointment is responsible for all payments due at the time of service.

**Delinquent Accounts:** Additional fees, including collection fees and finance charges may be added to unpaid delinquent accounts. Finance fees of $5 will accrue each time a new statement is generated after the first statement was sent out and partial or no payment have been made. Your account may be sent to a collection agency if the balance is 90 days old and partial or no payment has been made towards the balance.

**Contact:** If you have any questions regarding your bill, please contact the IMS billing office at (602) 633-3838.

I have read the above financial policies of IMS and agree to be bound by its terms. I also understand that IMS has the right to amend these policies at any time.
