

Casondra Moore, DO

Cardiology

Language(s): English

Dr. Moore was born and raised in Metro Detroit, Michigan. She earned both her Bachelor of Science and her doctorate in Osteopathic Medicine from Michigan State University. Dr. Moore completed her post-graduate training at Genesys Regional Medical Center in Grand Blanc, Michigan in association with the Michigan State University Statewide Campus System. First, she completed an internal medicine residency followed by a fellowship in general cardiology. Dr. Moore is board certified in internal medicine, general cardiology, and echocardiography. She is board eligible in nuclear cardiology imaging.

Dr. Moore is a general noninvasive cardiologist treating all cardiac conditions including heart failure, rhythm disorders, lipid disorders, preventive cardiology and coronary artery disease with a special interest in women's cardiology. Dr. Moore strives to offer comprehensive personalized cardiac care that takes into consideration multiple aspects of the patient's life and additional health concerns.

Since relocating to Arizona, Dr. Moore has enjoyed spending time outside in the sunshine with her husband and dogs, as well as traveling, exploring the valley, reading, and yoga.
