

Sanjay Verma

Gastroenterology

Language(s): English

Area of Focus: Gastroenterology

Sanjay Verma M.D. is a board-certified gastroenterologist who has been practicing since 2004. He specializes in colon cancer screening and acid reflux, as well as pancreatic and gallbladder diseases. Dr. Verma uses small-volume colonoscopy preparations along with propofol and CO2 for sedation to minimize patient discomfort. He has extensive experience and training in colonoscopies, EGD and ERCP.

Dr. Verma completed his gastroenterology fellowship at the State University of New York in 2002 and has devoted himself to caring for patients with gastrointestinal diseases since then.
