

Susan Osborn, NP

Ear Nose, & Throat
Language(s): English

Susan M. Osborn is a nationally certified Nurse Practitioner who has specialized in otolaryngology (ear, nose and throat) for eight years after practicing family medicine for seven years. Her specialty is in treating patients who experience Vertigo. Susan grew up in New York and attended college at St. John Fisher College for both her undergraduate and graduate degrees. During said time, she was the President of Sigma Theta Tau (the nursing honor society) for the Rochester area. Susan and her husband are the proud parents of three children and five grandchildren.
